

## Greg Bartlett – Background & Layout Artist

website: [www.backgroundart.net](http://www.backgroundart.net)

email: [greg@backgroundart.net](mailto:greg@backgroundart.net)

### Personal Summary:

I have 12 years professional experience painting environments for animation, video games and board games. I'm experienced working both on in house productions in a background and layout artist role and remotely for a large variety of clients. I'm passionate about the specific area of backgrounds for animated cartoons and working with the unique challenges and constraints involved in creating background art for 2D animation.

### Skills:

- Background paint
- Layout
- BG process development
- Key background design
- BG/Layout team leadership
- Photoshop
- Animate (Flash)
- Clip Studio

### Experience:

Listed below is my major studio and freelance production experience. Besides the projects below I've also worked on numerous one off jobs through my online freelancing business since 2011.

#### Princess Bento Studio

- **Unannounced Production** (2022-2023)  
Senior Key Location Designer
  - **Koala Man** (2021-2022)
